

LakeCities Ballet Theatre 11/8/21 Final 2021 Tech Schedule for Nutcracker and Nutty Performances!

The Following Rehearsals are at the LEWISVILLE GRAND THEATER – 100 N. Charles Street

We are so glad you are a part of our 31st Annual Nutcracker. Below is the schedule for both Nutty and Nutcracker. You must know which show you are in and also know that some dancers are in both. Please highlight the times you will need to be there. If in doubt, please ask! **ALL Tech Rehearsals beginning SUNDAY, NOVEMBER 21ST ARE MANDATORY!** There will be no refund of ticket money or participation fee for those who must be removed from the show for missing a rehearsal that week. Because of these difficult Covid times, if your dancer must be quarantined, we will do our best to help you sell your tickets as there are many people who want more tickets. There are many differences between this professional production and a recital. You received an email with a Nutcracker packet that you were to print and take to one of the two PARENT ZOOM MEETINGS which will explain everything you need to know. These meetings will be held Saturday, Nov. 13th and Saturday, Nov. 20th. **Please read the entire packet** to make sure you and your child have a positive and organized experience. Organization is key to our success!

1. During this last month, get plenty of rest, eat healthy, drink lots of water and stay home if you suspect you have Covid.
2. LBT and LBT2 will check in and check out each day at the Dock doors including the performances. You must sign in and out when you leave.
3. All other cast members are to be checked in at the check in station in the lobby. Parents will drop your child off and leave. You will return to pick them up at the end of their rehearsal at the check in station where you drop them off. We have done our best to list the approximate pickup times for the different scenes. Unfortunately, parents are not allowed to watch in the theater during the rehearsals with the following exceptions: Room Moms will attend all rehearsals with their group. Parents of Angels and Cherubs need to come in and sit in the audience with them during their rehearsals because these younger children need more supervision. **However**, we will allow one parent for each cast member to watch the dress rehearsals your child is in provided you are wearing a mask. In order to keep our children as safe as possible during rehearsals, all backstage crew, volunteers and faculty will wear masks backstage and in dressing areas. **Dancers will not be required to wear a mask backstage, but it is always optional.**
