

LakeCities Ballet Theatre's The Nutcracker

Silent Auction Packet 2021

Congratulations on another season cast members! We are all very excited to be able to not only have 2 traditional live shows this year but also adding the production of The Nutty Nutcracker. For those of you who might be new to the production this year please take a couple of minutes to review this & also keep on hand should you have friends and or family members whose companies would like to donate a themed basket.

Traditionally each divert is responsible for donating at least 2 baskets, 1 for each show. This year with a 3rd we do not expect 3 but if you'd like to do a 3rd great.

Key Moms are responsible for letting us know what your themed basket will be as well as the total retail value. **This year I ask that you NOT wrap the baskets but provide the wrapping for it as we will need to take pictures of each one as well as ensuring all items are securely placed.** I do not mind assembling them if all items are provided accordingly as needed. This just makes it easier as we will be doing the auction online as well as live in theatre during intermissions.

Please see the attached donation request letterhead for this year.

Please send all information to: Tatiana Lucy via text to 469-363-3282 or email tl.nutcrackerchair@gmail.com.
