## Specific notes for Nutty Party people!

Nutty Party Scene people plan their own costumes. Here are some ideas to help you plan! If you have something that might work for another family, please offer your items! Google is great for ideas! Remember, Clara's Friends are not in the Nutty Party Scene since they are in Nutty Battle. We will ask you to wear your Nutty Party costume to the first Nutty Party rehearsal at the theater so we can make sure everything is good to go for Dress Rehearsal. Have fun with it!!!

**Fritz and Clara:** Fritz wears a baseball cap worn backwards, jeans, tennis shoes and a long t-shirt that says something like Bah Humbug! Clara wears her usual Clara costume.

**Aristocratic Family** - Very fancy! Sequin dresses, little fur jackets...girls can look as though they came from a tennis game or an equestrian event, etc.

**Goth Family** - Pale makeup, black lipstick and nails, black jeans, boots, black leather jacket, etc. "Wednesday Adams" look with black hose would work, too!

**Dallas Cowboys** - the tackier the better! Would be nice if one of the girls was dressed in a cute Cowboys Cheerleader outfit with pom poms. Pigtails with big bows. Light up headpieces or necklaces. Little football helmet and jersey for the boy.

**The Who-ville Family** - Christmas overload with lots of red and green stripes. The boy will be a young Grinch and we can use a party boy costume but can add a red bow tie and green socks with knicker pants. The girls need tall hairstyles. You can google how to make them with water bottles, stiff braids, etc. You can also google Who-ville Costume ideas. We will help with makeup!
